Rebate Calculation: Grants may not exceed the grant cap

Residential, Non-Residential, Replacement		Non-Profit	
(1) First 2 Tons (T) x \$800/(T)		(1) First 2 Tons (T) x \$1000/(T)	
(2) Remaining Tons x \$700/(T)		(2) Remaining Tons x \$800/(T)	
Total Request: (1) + (2)		Total Request: (1) + (2)	

Declaration

I understand and certify that:

- 1) the information provided on this form is accurate
- 2) the above described system is intended to offset part or all of the applicants electricity needs at the installation site
- 3) the site of installation is located in the utility service territory as described on page 1 of the application
- 4) the State of Delaware and its agents provide no warranty for this system
- 5) all warranties are provided by the installing contractor and include minimum coverage of at least 5 years parts and labor
- 6) the applicant has received a copy of this completed form
- 7) completed grants may be queued for payment pending availability of funds and the wait for payment could be lengthy
